

CORNELIA DE LUXE RESORT WINTER SEASON 2016 - 2017 CONCEPT

"THE CROWN OF QUALITY" CORNELIA DE LUXE RESORT QUALITY, FOOD SAFETY AND ENVIRONMENT POLICY

Cornelia De Luxe Resort has the determination and staff experience required to provide it's guests with the optimum quality and service, while being in total commitment to protecting and preserving the natural environment.

We strive to preserve the dynamic structure of our quality management system and ensure the sustainability of it's effectiveness by operating in strict adherence to our quality management system.

To ensure preservation and sustenance of the environment we live in, we take the utmost care in compliance with the present national or local laws, legislations and regulations and fulfil all legislative requirements verbatim.

We continuously review our environmental procedures and monitor our operations to determine their effects on the environment and improvise in order to minimise air, water and land pollution as well as taking any other impacts, possible hazards and waste production under control. We control and improvise our activities on a continuous basis by taking measures that ensure natural resources are used effectively and efficiently to decrease energy consumption and enhance various recycling projects for waste prevention.

To achieve success where the environment is concerned, vigorous training and education programmes are constantly updated to increase staff awareness to the cause and commitment of our task force.

We make sure that environmental awareness of not only employees, but also our guests and official authorities, is improved and reinforced while we cooperate with non-governmental organizations or local organizations to contribute to the development of environmental protection projects.

To ensure the health and safety of our Hotel Guests, we fastidiously apply the Food Safety Management system, assign utmost priority to the hygienic conditions, comply with any and all the national and international standards as well as provisions of applicable legislation on the subject of safe and healthy production of food products, and in this process we strive to meet the needs and expectations of our guests and continuously develop and renew ourselves.

In light of the foregoing principles, our hotel, which competes both in the national and international markets, will always display the necessary determination to be a leader.
